

Queen Anne's County High School is pleased to introduce Family Connection from Naviance, a web-based service designed especially for students and parents.

Family Connection is a comprehensive web site that you can use to help in making decisions about colleges and careers.

Family Connection is a service that we use in the Guidance Office to track and analyze data about our student's college and career plans.

All students are asked to complete the registration information. All students will be using Naviance in their senior year!

Family Connection will allow you to:

- Get involved in the planning and advising process - Build a resume, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and careers.
- Track college applications
- Sign up for college visits - Find out which colleges are visiting our school and sign up to attend those sessions.
- Locate Scholarships – students will have to utilize Naviance to locate all QACHS Scholarship opportunities.
- Locate SAT/ACT dates and registration information
