3. From the school home page, you can access your school calendar two ways:
 - a. Select the sport you are looking for by scrolling over the words FALL SPORTS, WINTER SPORTS or SPRING SPORTS and clicking on the correct gender. Then click the red, "SPORTS SCHEDULE" header. The default will open to the varsity schedule for the current year, but you can use the drop-down menus to access another level or a different year.

- i. If you click on the Event Type (ex. GAME, SCRIMMAGE) it will open a box that displays details about the game, including facilities and early dismissal times.
 - ii. There is also a link, just below the drop-down menus for level and year, to view a schedule for the same sport for the entire Bayside Conference.
- b. From your school home page, click the words "VIEW FULL CALENDAR" in blue that are listed at the bottom of the Upcoming Events pod located on the right-hand side of the page. By default, this will open to a screen that shows all events scheduled at your school for the next 30 days.

- i. Target your search by clicking on the bulls-eye icon (iViews) next to which sport, level, gender or game type you are seeking. That will automatically filter the results below to show exactly what you're looking for.
