MPSSAA News and Notes

Board of Control Update

The MPSSAA Board of Control held its annual winter meeting on December 8, 2011. The following are highlights from the meeting.

- * Approved the 2012 Spring Bulletins.
- * Accepted the 2011 spring and fall financial report, 2011 fall sports' reports and the 2011-12 winter sports' updates.
- * Reports were made on bylaw reviews, academic eligibility recommendations and the student leadership conference.

Lacrosse Classifications Set

The MPSSAA Board of Control ratified the 2012 lacrosse bulletin as proposed by the boy's and girl's lacrosse committee. This year there will be a different classification structure for boy's and girl's lacrosse that may place a school's boy's team in one region or classification and their girl's lacrosse team in another. This is due to the fact that not all schools field both a boy's and girl's lacrosse team and thus create a significant inequity in the number of schools competing for a state championship in the 2A-1A classification. Under the direction of the classification committee, the lacrosse committee created an equal distribution of schools into three classifications for each sport and aligned regions. The classification structure for both boy's and girl's lacrosse are included on pages 3 and 4 of this newsletter.

New Region Meet Procedures For Indoor Track

The State Indoor Track & Field Committee has adopted a "championship style" format for this winter's region meets. All entries **MUST** be verifiable performances from the current season. A performance is considered verifiable if it is posted on the results listing (mpssaa.org) by the deadline of 2/1/12. To have results posted, they must be sent via email to Gerard Filosa at mdstatetrackmeet@gmail.com. Be sure to go to www.mpssaa.org for information including a results listing.

Hawkins and Dolch Elected

The Board of Control at their annual winter meeting on December 8, 2011 elected Earl Hawkins as President and Kim Dolch President-elect of the MPSSAA.

Hawkins, who has served as President-elect the past two years, is the Director of Interscholastic Athletics for Prince George's County. He serves as the Treasurer of District 3 and represents the district on the Executive Council, Board of Control, as well as the Appeals, Classification, Constitution, Finance and Scholar Athlete Committees. Hawkins also is the director of the Boy's Basketball and Boy's and Girl's Swimming Committees.

Dolch is the Principal at North Carroll High School in Carroll County. She served as President of the Monocacy Valley Athletic League (MVAL) comprised of Carroll, Frederick and Washington County schools in 2010. She was President of the Maryland Association of Secondary School Principals from April 2010-April 2011 and a 2009 nominee for Principal of the Year.

Basketball Draw

The MPSSAA will host the boys and girls' basketball tournament draw on Feb. 19, 2012. The draw will be held at Long Reach High School. Check the basketball page on the www.MPSSAA.org website for the latest news regarding directions and the start time of the draw. Coaches, athletes, and fans are encouraged to attend.

Coaches are reminded that the tournament will allow the top four teams in each region to be seeded based on their regular-season win-loss record (excluding holiday tournaments). The remaining teams in each region will be placed on the bracket by a blind draw. Region directors must verify and submit to the state committee on the morning of the draw the official records of each of their region's teams through Saturday, Feb. 18.

Timeline & Quick Reference Calendar

A tentative timeline and quick reference calendar are found on pages 5 and 6 of this newsletter. Please be aware that all listed dates are subject to change.

EXECUTIVE'S CORNER

Edward "Ned" Sparks

Executive Director, MPSSAA

Some thoughts and observations as we close out the first semester.

- Any long time observer will surely testify to the raised level of play in high school sports in recent years.
- A far reaching athletic program of 196 schools, 114,000 student-athletes, 23 state tournaments, 9,000 coaches and 7,000 officials could not function without thousands of hours of volunteer service from school people throughout Maryland. Hats off to those dedicated folks.
- Students need to be constantly reminded to never put anything in writing or post anything they wouldn't be proud to show mom.
- Decorum during the National Anthem has in many instances become an embarrassment.
- The old adage to "Never screw up on a slow news day" is even more pertinent in the age of the internet.
- With so many family patterns at odds with the traditional family structure there most likely are many students attending a school outside of their attendance zone.
- Many of our most experienced coaches and athletic directors find it amusing to hear a 17-year old say they have worked their "entire life" for this moment.
- The popularity of online ticketing has risen to a level of over 50% use during the state football finals.
- There seems to be a real disconnect between the number of perceived athletic scholarships available and the actual number awarded.
- Local support demonstrated during the Football playoffs provided clear evidence that the local high school represents the heartbeat of the community.
- Is it me or do you find that some people spend most of their time looking to be outraged over something?
- Try as they might, no one has been able to solve the dilemma of the team forfeit penalty for competing with an ineligible player.
- Given the occasional chance to interact with student-athletes, I never come away disappointed with their maturity, poise and potential.
- With winter break upon us here's wishing everyone a Merry Christmas and success in the 2012.

MPSSAA Spring Rules Interpretation Clinics

Attendance at a rules interpretation clinic is a certification requirement for officials assigned to MPSSAA contests—both regular and post-season play. COACHES ARE STRONGLY ENCOURAGED TO ATTEND! Please continue to check the officials page on MPSSAA.org for the latest information on all clinic dates. You may also email Bill Burroughs at bburroug@msde.state.md.us.
