Spring 2011

**It's Spring!!!**

The weather is warming and we are moving closer to the end of the school year. We have many opportunities on the calendar for everyone to enjoy and celebrate another outstanding year and the culmination of the high school careers of the members of the QACHS Class of 2011.

In May we have the Advance Placement and High School Assessment exams, along with the Senior Final Exams.

The Senior Award Night is scheduled for May 17<sup>th</sup> in the evening. Graduation will be on Thursday June 2, 2011. We will hold the graduation in the gym at QACHS with the real-time simulcast in the John F. Andrews Auditorium to provide additional tickets for families. The auditorium has comfortable theater seating and is air conditioned.

The Prom is scheduled for May 21, 2011. The Prom committee is in high gear. Please contact Mrs. Casey (x118) if you have questions or would like to help. The deadline for submitting a request to bring a non-QACHS student to the Prom is May 9, 2011. Please pick up a form in the main office and follow the directions on the application.

As each event approaches, we will send home and post further information.

We are rapidly approaching the end of the year. Please encourage your child(ren) to stay focused on academics and committed to attend school each day. Please encourage them to take advantage of the instructional support that is provided by teachers as often as needed.

On our part, we work diligently to ensure a safe and secure learning environment where each student receives the instruction they need to be successful. If you see where we can improve, please do not hesitate to let me know.

Thank you for your continued support of our efforts to serve you and your family!

Go Lions!
